

RUNWAY THRESHOLD TAXIWAY OBSTRUCTION

25 - 40 Watt Medium Intensity Lights 117V

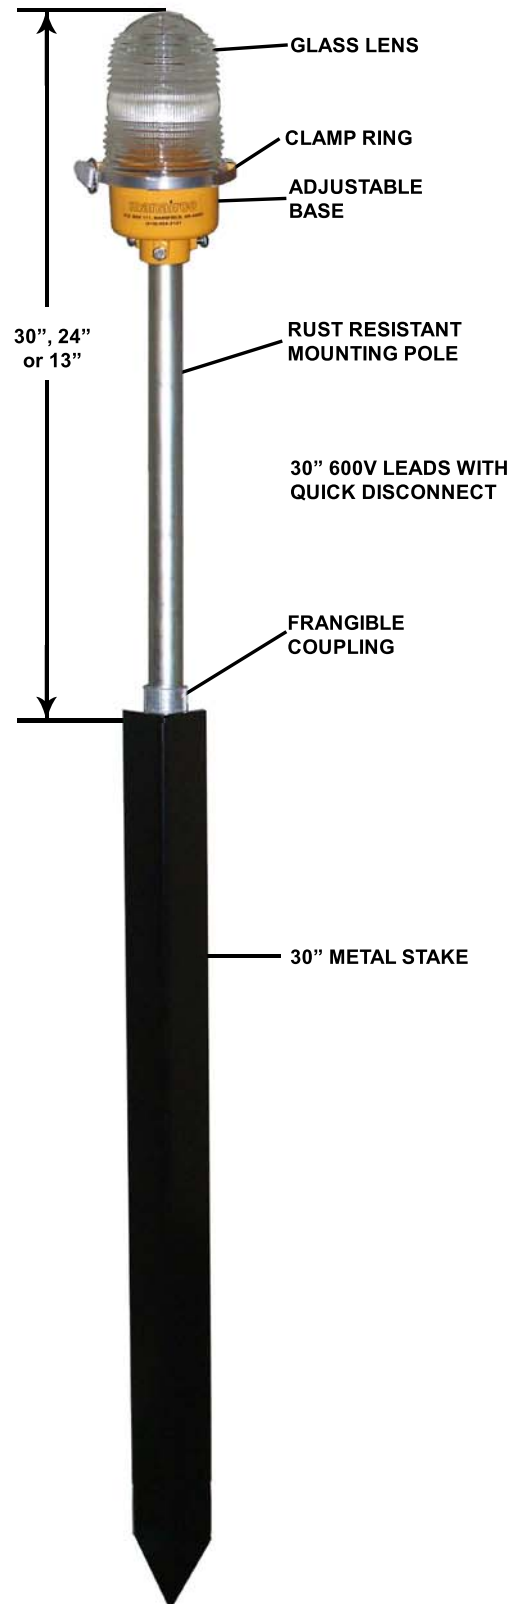

6000 SERIES

Designed For
Economical
Airport Lighting

Using 25 or 40 watt extra long life bulbs, Manairco 6000 Series lights provide superior performance with minimal maintenance. Fixtures may be easily converted to 6.6 amp by simply changing the socket.
(No need to purchase new fixtures)

67 watt bulbs also available
